

Oticon Managed Care Rebate Program

The Oticon Managed Care Rebate Program provides you with a quarterly rebate in recognition of your participation in select managed care networks when fitting Oticon products. We value your role in serving those patients seeking hearing healthcare through their preferred program. You'll receive your rebate at the end of each quarter from the net sales of eligible units sold.

Review your current practice goals and growth potential – we can help

Enroll in the program – it's easy

Begin accepting referrals from designated partner networks

Get started

Contact your Oticon Account Manager at **800-526-3921** to discuss the program terms and conditions for enrollment. They can also connect you to the appropriate Hearing Benefits Manager (HBM) partner if you're not already enrolled with any HBMs.

Upon completion of the Oticon Managed Care Rebate Enrollment Agreement, return it via email to partnersetup@oticon.com.

After this form is processed, you may begin earning the rebate. Each quarter's net Managed Care purchases will calculate your rebate at the end of your quarterly accrual period. It's that easy!

*Account must be in current financial standing to receive a check or ACH payment, otherwise the account will receive a statement credit.

Track your progress

You will receive a monthly rebate statement to track your progress.*
